* DM04/WO	WOODEN cast acrylic sheets wood effect	4	5200	€ 175,76
				

Format: mm 1130x810
 * = available upon order, minimum order quantity 10 sheets
On request: cut to size
Notes: These cast sheets are individually made in a manual process and therefore every sheet is unique and veins effects might be different on the same sheet.
 There is a 2% tolerance on sheets dimensions so it is not possible to guarantee a standard dimension.
 Please note that the given weight is theoretic, but we invoice the real weight of the sheet/block.
 Sheets are sold without protection film, therefore the surface might presents processing scratches and imperfections: it is necessary a sheet planing and polishing.
